Public Comment: Problem with road safety at an intersection. What can be done to get County to respond? They won't put in a stop sign unless there are six fatalities in one year. There have only been 5. FCUAC will see about getting KC Roads to come out to a meeting this summer.

Guests present- Alan Painter KC Rural Outreach Coordinator, Deborah Eberle, Marissa Alegria, Mr. & Mrs. Robert Main, one other.

Program Speakers: None. Jason Brown, King County Council Member Dunn's office, introduced himself.

Reports:

Secretary: Minutes for March 2012: Paul D. moved, Sharon S. 2nded approval as written. Approved with abstentions from Rich N. and Vern R.

Treasurer: No receipt of 2011 reimbursement from King County yet. Not change in status.

Executive Committee: No report

President: Announced several public meeting opportunities and various activities where he has participated.

New Business:

- Packets of maps showing new boundaries' proposals for Four Creeks were presented as Bylaw changes for a vote at the May meeting. Tom C. provided explanations of the options.
- Election of Recording Secretary: No volunteers or nominations. Will be on agenda for next meeting.
- National Night Out 2012. We will pursue question with County regarding grant requirements for community action. We are not seeking an appropriation. KC is drafting parameters for grants.
- Tom C. described a situation where King County was trying to plant trees to implement part of May Valley drainage plan, and how the process increased costs and delayed action. He noted need for process improvement at the State DOE.
- Pete will send request to members to identify days on which they could be available for alternate evening meeting in lieu of Wednesday night when youth activities make loud noises during discussions.
- Meeting adjourned at approximately 9:00 pm.
