Pete Eberle called the meeting to order at 7:01p.m.

**Guests present-**Debi Eberle, CARE organization, Michael Magnum, Luke Kathleen, Kathy and Rob Johnson.

**Public Comment:** Questions were raised about possible increase in septic system fees. General inquiry and explanation on upcoming Regional Fire Authority election—public meetings/presentations where more detail is available were provided.

**Old business:**  
Water quality testing program  
 Progress on assembling and purchasing parts for the three test kits were discussed. 4 tests will be done: dissolved oxygen, phosphates, nitrates, turbidity.

Grants from CSA program  
 \$1000 was granted from King County for Community Night Out event; \$700 was granted to support the third test kit for water quality testing.

**New Business:**  
Upcoming School Bond:  
 Several members told what they had heard or read about the bond proposal. Tom asked Paul to invite the folks who can tell us more details and answer questions.

Official report -Purshing  
 Pete discussed the meeting he has been doing as part of the Bridges & Roads Task Force, with respect to the impact of annexations. Being asked about how they work, Pete explained the different methods.

Minutes of the January 2016 meeting were presented. Alysa moved and Tom seconded approval. Approved.  
 Meeting adjourned at 8:25
