

Minutes of the September 25, 2002 Special Meeting of the Four Creeks U.A.C.

In attendance were Council Members Tom Tregoning, Rod McFarland, Cynthia Green, Gwendolyn High, and Tami Harris. Also in attendance were members of the public. Vice President Marshall Brenden presiding.

Election Nomination Committee was created. Included were Council members Rod McFarland, Oscar Bandelin, Marshall Brenden and Cynthia Green.

Re-districting items were discussed. There are new areas that are not currently included in the bylaws. Gwendolyn offered to follow up on the issue, prepare and submit the appropriate amendment of the bylaws to the Council at the next meeting.

It was determined that the Election date could be set for December 17, 2002, given the fact that the upcoming election had been discussed and announced at previous regular meetings. The date to be confirmed by a Council vote at the next meeting, per the Bylaws. Dates to submit candidacy selections were discussed.

Discussion was entertained regarding which district seats were up for Election. It became apparent that the current bylaws are vague on terms of the Council members. Rod McFarland offered to prepare an amendment to propose at the next regular meeting, clarifying district and Council member terms.

Marshall Brenden called a special meeting for Wednesday, October 02, 2002, to be held at the East Renton Church at 7 p.m., to confirm the date of the election, to propose the initial drafts of the Bylaw changes, and to discuss school issues. An announcement was made and notification published to the website.

The meeting was adjourned.
